- In each Bulgarian military conscription district, joint military and political commissions were working during November and December 1948 on the examination of the antecedents of all men born between 1903 and 1929.
- 2. Mobilization cards were issued to all those affected. The cards were printed with the holder's rank, and the unit to which he should report on mobilization.
- 3. In general, all reserve officers who were not members of the Communist Party were reduced to the ranks, while commissions were granted to suitable privates and NCO's who were Party members.
